Sereena.hassan96@hotmail.com

Female

Zarqa, Jordan

20-07-1996

COMPUTER SKILLS

- MS OFFICE
- MATLAB
- AUTOCAD
- POLYMATH

LANGUAGE

- ARABIC : Mother Language
- ENGLISH : Very good
- TURKISH : Beginner

PERSONAL SKILLS

- Verbal communication and listening Skills
- Time Management
- Team Player
- Social
- Creativity

HOBBIES

- COOKING
- READING
- MUSIC
- EMBROIDERY

SEREEN HERZALLAH

Chemical Engineering

Seeking for a position to utilize my skills and abilities that offers Professional growth while being resourceful, innovative and flexible. I will keen to contribute to the success and growth of the organization that I will work in by undertaking the challenging assignments and delivering timely result by applying best of my knowledge and skills.

EXPERIENCES

03/2019-12/2019

▪ Researcher (part time)

Leading point management advisory services :

- Collecting data from people by asking them some questions.
- data entry using excel .
- indoor, outdoor work.

10/2018 -01/2019

▪ Trainee

Ministry of Water and Irrigation

I preformed some tests in there Laboratories , such as BOD, COD, TDS and TSS, IC, Total Nitrogen and other that to check the amount of sample acceptance.

09/2018 -10/2018

▪ Trainee

United Pharmaceutical Company

Briefed on the tasks of production engineer and supervising of production line. I preformed some tests in R&D Laboratories such as pH, Solubility, Dissolution, Hardness , Moisture content and other. I learned some basics of GM. I learned a little about dealing with HPLC device

TRAINING COURSE

- **Good Manufacturing Practices:** (12) training hours during the period of sep/2017 from Euro Jordanian Advanced Business Institute
- **Introduction to safe pharmaceutical processes :** (12) training hours during the period of sep/2018 from INTERNATIONAL ENGINEERING CONSULTING AND TRAINING:
Subtitles: -Validation -Cleaning validation -Process validation -GLP
-Equipment qualifications -Instruments validation
- **Testing and calibration laboratories standards ISO/IEC 17025:2017:** (8) training hours during the period of sep/2018 from INTERNATIONAL ENGINEERING CONSULTING AND TRAINING.
- **ISO 22000:2018 Food safety Management standard :** (8) training hours during the period of sep/2018 from INTERNATIONAL ENGINEERING CONSULTING AND TRAINING.
- **Occupational Safety and Health Management in Industrial Workplace**
- **Introduction to water treatment**
- **ISO 14001 environmental management system (EMS)**

EDUCATION

- **Al-Balqa'a Applied University - Faculty of Engineering and Technology |** 2014 To 2019

BACHELOR OF Chemical Engineering (GPA : 2.6)

Graduation project was fitting temperature dependent interaction parameters of Krypton gas using non-linear regression analysis.(2019)

- **High school - Tawjihi : Islamic Centre School |** 2013/2014

Scientific branch

84.1 grades

MEMBERSHIP

Member of The American Institute of Chemical Engineering (ALCHE) .

Member of The Chemical Engineering Student Union (CHED).2016-2019

Member of The Association of Energy Engineers (AEE).
